B. Background Information about Wellcare Meridian Dual Align (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
 - o The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - o Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care** Provider (PCP) is a physician, nurse practitioner, or a specialist who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - o Oncologists care for patients with cancer.
 - o Cardiologists care for patients with heart conditions.
 - o Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP *or* your Care Team must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Wellcare Meridian Dual Align (HMO D-SNP)** (not your network PCP *or* Care Team must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Wellcare Meridian Dual Align (HMO D-SNP) may not cover the service, item or drug.
 - o Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area;

 **If you have questions**, please call Wellcare Meridian Dual Align (HMO D-SNP) at **1-844-536-2168** (TTY: **711**). - optometrist (for routine vision exams); **or**

- o Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan’s network.
- o More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You’ll also be assigned a care team and care coordinator that you choose. Your care team may include yourself, your family members, your legal representative (if you have one), family caregivers, natural supports, primary care providers, specialty providers, personal care providers, nursing facility representatives, hospital discharge planners, your care coordinator, your long term services and supports (LTSS) coordinator and other health professionals who are there to help you get the care you need. Everyone on the care team and coordinator works together to make sure your care is coordinated. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team and care coordinator may include:

D. Background Information about Wellcare Meridian Dual Align (HMO D-SNP)'s Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Wellcare Meridian Dual Align (HMO D-SNP) and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by Wellcare Meridian Dual Align (HMO D-SNP), other drugs may be covered by Michigan Medicaid. This can include some over-the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at **www.michigan.gov/medicaid** for more information. You can also call the Beneficiary Help Line at **1-800-642-3195** or the Michigan Healthcare Help Line at **1-855-789-5610** (TTY **1-866-501-5656** between the hours of 8:00 AM and 7:00 PM, Monday through Friday (except holidays). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact Wellcare Meridian Dual Align (HMO D-SNP) Member Services at the bottom of this page or your Care Coordinator for assistance

We also list pharmacies that are in our network but are outside Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren, or Wayne County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Wellcare Meridian Dual Align (HMO D-SNP) at **1-844-536-2168** (TTY: **711**). Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday - Friday, 8 a.m. to 8 p.m. for additional information.

Wellcare Meridian Dual Align (HMO D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Wellcare Meridian Dual Align (HMO D-SNP) *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

- Mail-Order Programs. We offer a mail-order program that allows you to get a 35 to 100-day supply of your drugs sent directly to your home. A update to 90-100-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 90-100-day supply has the same copay as a one-month supply.
