B. Background Information about Wellcare Meridian Dual Align (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
    - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care** Provider (PCP) is a physician, nurse practitioner, or a specialist who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP *or* your Care Team must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Wellcare Meridian Dual Align (HMO D-SNP)** (not your network PCP *or* Care Team must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Wellcare Meridian Dual Align (HMO D-SNP) may not cover the service, item or drug.
    - Referrals or prior authorization **aren't** needed for:
        - — emergency care;
        - — urgently needed care;
        - — kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area;

— services from a women's health specialist;

— flu shots, hepatitis B vaccinations, and pneumonia vaccinations as long as you get them from a network provider;

— visits to the podiatrist, chiropractor and dermatologist;

— optometrist (for routine vision exams); **or**

— dental (for routine preventive exams)

- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.

- You'll also be assigned a care team and care coordinator that you choose. Your care team may include yourself, your family members, your legal representative (if you have one), family caregivers, natural supports, primary care providers, specialty providers, personal care providers, nursing facility representatives, hospital discharge planners, your care coordinator, your long term services and supports (LTSS) coordinator and other health professionals who are there to help you get the care you need. Everyone on the care team and coordinator works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team and care coordinator may include:
  - A **Care Coordinator** that helps you manage your medical providers and services. For example, your Care Coordinator will help you:
    — Make a plan of care to meet your healthcare goals,
    — Connect with aid and support in your community,
    — Take control of your health issues,
    — Know your health plan benefits with Wellcare Meridian Dual Align (HMO D-SNP), and
    — Talk about any questions or concerns you have.
  - Your **Primary Care** provider

Your Care Team will also help you find other providers of medical, behavioral health or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;

- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP. Call Member Services at the number at the bottom of this page and we will help you. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Wellcare Meridian Dual Align (HMO D-SNP) will choose one for you.
- If you want help in choosing a PCP, please call Member Services at **1-844-536-2168** and (TTY: **711**). Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday - Friday, 8 a.m. to 8 p.m. The call is free. Or, visit **go.wellcare.com/MeridianMI**.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at **1-844-536-2168** and (TTY: **711**). Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday - Friday, 8 a.m. to 8 p.m. and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) Providers

As a Wellcare Meridian Dual Align (HMO D-SNP) member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as home health, personal care, nursing home and home and community based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want

B5. How to access Wellcare Meridian Dual Align (HMO D-SNP)'s network providers

You may need a referral for someone who isn't a PCP *Provider*. There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in Wellcare Meridian Dual Align (HMO D-SNP)'s network **(without prior authorization), you may have to pay the bill**.

A **prior authorization** is an approval from Wellcare Meridian Dual Align (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if Wellcare Meridian Dual Align (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. If you change your PCP on or before the 10th of the month, you will be able to start seeing your new PCP immediately. If you change your PCP after the 10th of the month, you can begin seeing your new PCP on the 1st of the following month. For some providers, you may need a referral from your PCP.
- Wellcare Meridian Dual Align (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Wellcare Meridian Dual Align (HMO D-SNP) can help you. Talk to your care coordinator for assistance.

D. Background Information about Wellcare Meridian Dual Align (HMO D-SNP)'s Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Wellcare Meridian Dual Align (HMO D-SNP) and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by Wellcare Meridian Dual Align (HMO D-SNP), other drugs may be covered by Michigan Medicaid. This can include some over-the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at **www.michigan.gov/medicaid** for more information. You can also call the Beneficiary Help Line at **1-800-642-3195** or the Michigan Healthcare Help Line at **1-855-789-5610** (TTY **1-866-501-5656** between the hours of 8:00 AM and 7:00 PM, Monday through Friday (except holidays). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact Wellcare Meridian Dual Align (HMO D-SNP) Member Services at the bottom of this page or your Care Coordinator for assistance

We also list pharmacies that are in our network but are outside Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren, or Wayne County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Wellcare Meridian Dual Align (HMO D-SNP) at **1-844-536-2168** (TTY: **711**). Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday - Friday, 8 a.m. to 8 p.m. for additional information.

Wellcare Meridian Dual Align (HMO D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Wellcare Meridian Dual Align (HMO D-SNP) *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Wellcare Meridian Dual Align (HMO D-SNP) network pharmacies in your area, please visit our website at **go.wellcare.com/MeridianMI** or call Member Services at **1-844-536-2168** (TTY: **711**). Between October 1 and March 31, representatives are available Sunday - Saturday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday - Friday, 8 a.m. to 8 p.m. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Wellcare Meridian Dual Align (HMO D-SNP)'s *List of Covered Drugs*. To access

our online *List of Covered Drugs* visit **go.wellcare.com/MeridianMI**. If you would like a *List of Covered Drugs* mailed to you, you may call **1-844-536-2168** (TTY: **711**) and request one. You can also request one at the website link provided above, or email **memberservices.mi@mhplan.com**. If you have any questions about covered drugs, please call Member Services.

D1. Types of pharmacies in Wellcare Meridian Dual Align (HMO D-SNP)'s network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.
- Specialty pharmacies provide members with drugs used to treat complex or rare chronic conditions such as cancer, rheumatoid arthritis, hemophilia, and H.I.V.
- Network pharmacies outside of Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren, and Wayne Counties

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get a 35 to 100-day supply of your drugs sent directly to your home. A update to 90-100-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 90-100-day supply has the same copay as a one-month supply.
